The Olympia Ballroom

Looking for your next event in the south sound? OlyBee offers multiple venues in the heart of Washington State via Olympia, Washington.

See our historic space which has served the region since the early 1900's, The Olympia Ballroom in the historic section of downtown Olympia. Formerly the Hotel Olympian, the Ballroom has served concerts, weddings and major Governor's Ball's in the 1940's.

"We had our wedding at the Ballroom 8/21/2021 and it was the perfect venue for us! Great rate, historic building with so much history! Not only was the venue perfect for us, the owner actually helped out during our big day! I'd recommend anyone to have any event there!"
